Malcolm Edwards

I am a long time resident of Halls Creek. I have been a councillor on the Halls Creek Shire for 26 years and the Shire President for 17 years. One of my dreams was to see the Tanami road sealed to Alice Springs. This would be a game changer for Halls Creek. Benefiting our desert communities, the pastoral industry, tourism

also providing jobs through the mining sector and aid in the development of Halls Creek. This is the reason why I have decided to nominate again for Local Government. The Main Roads have started working on the Tanami Road. This has meant the need for a light industrial area which the Shire has initiated the planning process and also plans to build 35 houses at Bluberry Hill . Things are starting to happen and I want to be a part of it.
