My parents were taken to Moola Bulla, the Government's Stolen Generation Settlement in the late 1930's and I was born there. My father is Gija from Bungle Bungle and my mother Gooniyandi from Gogo Station.

Being born into local tribal groups and having lived and worked here all my life I know the plight and concerns of my people while considering and respecting the Pastoralists and appreciating the non-Indigenous people and Businesses that make up our community.

Education is a problem with a very high percentage of children failing basic numeracy and literacy. This is a subject that I hope will gain the attention of Council Members, it is extremely important to have jobs to lift our people above the poverty line. I served on the State Justice Forum and Aboriginal Legal Service Board so I understand the services available to assist our people. Drugs and alcohol problems need to be addressed, to eliminate the growing threats of increasing new drugs becoming embedded in our communities.
